

Introduction

Our mission

At itison, our mission has always been about bringing loved ones together to enjoy incredible experiences, and now we want to make sure that the people who need it most get to have that too.

What do we do?

Every month, we matchmake our amazing deals to local charities who would love to experience them. They can use them to give much needed respite, reward incredible volunteers or to fundraise. We choose charities that are doing great work locally, and who will get the most impact from our donation.

How can the donated vouchers be used?

- 1 Reward volunteers**
Volunteers are the lifeblood that keep a charity going. It can be hard work emotionally and physically, and vouchers are a great way to help your volunteers recharge their batteries and, most importantly, smile!
- 2 Treat the people charities support**
If your charity works with people who are going through a tough time in one way or another, you can give them and their family a chance to forget their troubles, have fun and enjoy a great experience.
- 3 Raise more money for the charity**
Your charity can use the vouchers for raffles, auctions and more, ensuring vital funds can be raised to continue the incredible work you do.

Eligibility

To be eligible for itison us, your charity must:

- Be registered as a charitable organisation exclusively in Scotland or England & Wales.
- Charities must be non-profit or non-governmental organisations with recognised charitable status.

Responsibility

All charities selected by itison us must agree to:

- Use and distribute vouchers responsibly, and in accordance with our terms.
- Have a plan of how to use the vouchers. Vouchers will be valid for a few weeks or months, so it's important you're able to use them during this timeframe.
- Report back on exactly how the vouchers were used, and any funds raised as a result.
